| | Lori Moya is concerned, is it in our scope? The long range plan. 2017 Bond FAB PAC (long range master plan) Monty Exter: entirely based on long range planning, The large plan has a lot in there, the bond steering committee, then used as a starting point. Does Not see the connection. Lot of the Equity work that was done for the bond projects, losing the details, loses the Equity. Don't want to get bogged down with information that is not needed. Lori Moya is concerned that they will step out of charge. She wants the Committee to stay |
