'\*' Indicates results are masked due to small numbers to protect student confidentiality.

'-' Indicates zero observations reported for this group. 'n/a' Indicates data reporting is not applicable for this group.

?' Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

### 

This section provides the STAAR performance results for each subject area tested in the 2016-17 school year. These results only include tested students who were in the accountability subset. This section also includes four-year and five-year gradua1a
