### Facility Summary

Crockett Early College High School serves an enrollment of approximately 1,560 students in south Austin and is known for its career and technology programs. The school offers articulated classes and certifications for students so that they may graduate ready to enter the workforce. The automotive and construction programs are of particular interest, as each are in specialized facilities with a wide range of equipment and classes. It was built in 1969 and consists of approximately 350,000 square feet on 40 acres.
