

Burnet Global Languages School

Students seeking an immersive learning environment with a focus on global languages and cultures will learn alongside students who are proficient in multiple languages, creating a two-way dual-language program. This multicultural curriculum is designed to ignite the entrepreneurial spark in students, encouraging successful careers across the globe.

Serving Students

Students seeking an immersive learning environment with a focus on global languages and cultures will learn alongside students who are proficient in multiple languages, creating a two-way dual-language program. This multicultural curriculum is designed to ignite the entrepreneurial spark in students, encouraging successful careers across the globe.

Preparing Our Kids To Succeed By

- ✔ Creating a culturally and linguistically rich and immersive learning environment.
- ✔ Offering a dual-language program of Mandarin (Chinese), Spanish, Vietnamese, and Arabic.
- ✔ Developing entrepreneurial skills through real-world applications.
- ✔ Expanding the Career and Technical Education program to include dual-language focus.
- ✔ Seeking to build a global and multicultural network, including additional local and international connections.

Serving Students

Students who are inspired to become teachers themselves will have early exposure and high-quality teacher training that sets the stage for their professional careers. Getting their start in a supportive environment enhanced by strong partnership helps instill a commitment to urban education and the value it brings to the community.

Preparing Our Kids To Succeed By

- ✔ Increasing the diversity of candidates can help them excel in their careers.
- ✔ All incoming teachers should be trained in the field, clinical science, diversity and inclusion, data-driven learning, and social and emotional learning, and gain-based data-informed instruction.
- ✔ Getting the best talent for the job.
