

Following the temporary closure of AISD campuses in response to COVID-19, a limited number of schools were unable to administer the 2019–2020 Student Climate Survey. Given the different circumstances under which students would have responded to the survey after gWcc`g\ UXWcgYXflbXh YdchYbhU`]b i YbWcb`h Yjf`dYfWdh]cbg`cZgWcc` WJa UMZh Y 5-G8`8YdUfha YbhcZF YgYUFW UbX9j Ui U]cb`fBF9LXWYXX]c WcgYh Yg fj Yrk ]h ci hi their participation in order to maintain the integrity of existing data. Consequently, total responses declined by 15% year-over-year and representation of certain student groups was slightly different from previous years. However, the overall sample was comparable to samples obtained in recent years.
